COURSE INFORMATION

INTRODUCTION TO DYE SUBLIMATION COURSE

This course will introduce you to YPS' Business in a Box. You can make your own business dream a reality with the YPS 'Business in a Box'. It's a complete solution to help you run a business at home with no added overheads or unnecessary outsourcing.

When you open the YPS 'Business in a Box', you are also opening a world of exciting opportunities. In the box you will find everything needed to transform your creative ideas into an infinite range of personalised products, from cushions and curtains to mugs and magnets.

Our courses are designed to enable the attendees to manufacture a saleable product and help them to learn essential new skills. We want to make sure our new students have the confidence to print and produce their products and have all the associated skills required to help ensure they are successful and profitable.
